This will include maintenance, and replacement/repair of all parts including connectors, fuses, vaccumatic devices, etc. and all the peripherals of Walkie-talkie set at suppliers cost. The detailed technical specification of the equipment required is as per Section-V. The rates for supply of the same should be quoted in Annexure-II. Cost should include consumables like batteries; antenna etc. cost should also include the maintenance/reinstallation of UHF Radios Walkie-talkie set at other CONCOR site if required. Cost must include the tuning and programming/configuration of Radios, frequency matching etc from time to time upto the satisfaction of CONCOR. The Royalty fees/ license fees / Air time charges/insurance premium paid etc should be mentioned for the period of 3 years. The UHF Radio sets should use the Ultra Wide Range (i.e. of around minimum 70 km) technology and able to work with smooth and clear voice at various points inside J.N. Port area including remote rail sidings, Jasai Railway Yards, Panvel Rail Yards etc. The UHF user should be able to use multiple communication channels without any channel congestion.
2. The warranty period for new radios purchased will be **for three years** and for the accessories like (chargers, batteries etc.) warranty will be **six months** from the date of installation and commissioning. The maintenance services shall be provided from Monday to Saturday from **08:00 to 20:00 hours**. A quarterly preventive maintenance must be carried out during contract period apart from unlimited breakdown calls and unlimited site visits. Visit should be duly signed on slip by ENGINEER & CONCOR staff giving full details.
3. Response time will be **maximum 4 hrs** from call logged to contractor. Any call logged after 15:30 hrs shall be attended on next day morning. Delay in attending the call may be fine @Rs.100/- per day or part thereof and will be deducted / adjusted from bill/security deposit. If response is not upto the satisfaction then CONCOR at any time reserves the right to get the work done from any external agencies with risk and cost of supplier and the amount incurred shall be deducted from security deposit.
4. If peripherals/spares found faulty/unusable, new spare parts of same make and capacity or higher configuration of same make shall be made available within 24 hours or alternative arrangement may be made. Any delay in replacement of parts is made then CONCOR reserves the right to make an alternative arrangement and cost incurred shall be deducted/adjusted from contractors Security deposit. The replaced parts will be taken back by the agency.
5. The Consumables like Batteries, Antenna, Plastic parts etc. are included in contract as a rate contract. The bidder should note that proper Ni Cd batteries, antenna, Trickle charger, adapter, etc in good working condition should be provided upto the satisfaction of CONCOR. Any consumable items found faulty need to be replaced with fresh/new with rates shown in rate contract period warranty period of 3 years on proper job order from CONCOR. 100% payment will release for consumable items supplied and installed.

Signature of the tenderer

Seal Of the Company :

Name & Designation of the person :

6. Payment: **90% of equipment cost** will be released after installation of radio sets for based on bills submitted. The Proper invoice along with visit reports etc. should be enclosed for release of payment. 10% balance payment of equipment cost will be released against submission of security deposit of 10% of equipment cost in form of Demand Draft in name of "Container Corporation of India Ltd" Or Bank Guarantee of Nationalised Bank of 10% of equipment cost valid for 3 years.
7. Tenderer may be manufacturer of Motorola or equivalent make. OR Authorised dealer/distributor or service provider for Motorola India Ltd or concerned manufacturer of Radio. Copy of authorization letter, certificates/Proof should be enclosed in all the cases.
8. CONCOR reserves the right to examine credentials of all tenderers and to arrive at conclusion to its satisfaction regarding the suitability of the agency based on such examination / enquiry as deemed necessary. Issuance of tender form should not be construed as acceptance of eligibility for the contract.
9. If there is any discrepancy between amounts quoted in words and in figures, the amount whichever is lower will prevail.
10. Security deposit (without interest) shall be refunded at the end of the contract if service of supplier is found satisfactory during warranty period.
11. The successful bidder has to sign an agreement with CONCOR on bond paper of Rs 100/- for fulfillment of post sale warranty services and support.
12. The Scope of work along with detailed address where UHF is required to be used as mentioned in Section - IV has to be complied. The quantity mentioned in bid is only for bid, the actual quantity may vary depending on the actual requirement of CONCOR from time to time, and hence the tenderer is advised to keep the prices valid for at-least 6 months.
