Since this is a policy which protects the contractor, it is advisable that he takes such a policy for a value as he deems fit. It may be noted that this is not a mandatory requirement of HALCON for fulfillment of this contract. HALCON, however, will be recovering the value of any damage that has arisen due to lapse/fault on the part of the contractor from contractor’s bills/Security Deposit/BG etc., irrespective of whether insurance policy has been taken by contractor or not.

b) The Contractor shall take adequate insurance for the workmen as required under the workmen’s Compensation Act and/or Public Liability Insurance Act.

c) The Contractor should renew the Insurance policy well in time.

d) The Contractor shall deposit the original copy of the valid insurance policy to HALCON from time to time for verification.
8. PAYMENTS

a) Subject to any deductions, which HALCON will be authorised to make under the terms and conditions of this contract, the contractor shall be entitled for payment for jobs performed by him, at rates finally accepted by HALCON.

b) The tenderer has to prepare his monthly bill on his firm’s letterhead as per agreed rate in contract and to submit it to HALCON for payment. Tenderer shall enclosed along with the monthly bill the copy of PF remittance (PF Challan), with personnel list, copy of Service tax challan, Copy of Professional Tax Challan remitted to Government. Contractor will produce the above original documents to HALCON for verification. After verification HALCON shall make monthly bill payment after deduction of TDS /other taxes as applicable/ damages/ recoveries due. The aforesaid payment of the bill will ordinarily be made within (15) fifteen days of submission. An occasional or inadvertent delay, however, shall neither entitle the contractor to claim interest nor provide a basis for termination of contract. The work shall in no case be hampered on account of non-payment of bills.

c) PAYMENT AGAINST ADDITIONAL OR EXTRA SERVICES

i. The contractor shall have to perform all the services provided for in this contract and shall be paid at the rates quoted by him and accepted by HALCON, subject to the terms and conditions of this contract. In the absence of an agreement being reached on the rates for such additional services will not confer a right upon the contractor to refuse to carry out or render such services.

ii. If any altered/additional work is required to be executed as per requirement for proper execution of the contract work for which there are no established rates in Schedule of rates, the same shall be payable as per provisions stated hereunder:-

   a) As far as possible the rates for such items shall be derived from agreed schedule of rates on pro-rata basis.

   b) If direct working out is not possible, the contractor shall be paid on the basis of reasonable cost of materials plus reasonable cost of labour inclusive of tools, plants and machinery with 15% extra on total cost to cover contractors profit, supervision, overheads, establishments etc.

   c) On the basis of original purchase bill/labour payment voucher of contractor with 15% contractor profit and overhead charges upto Rs.10,000/- in each case (excluding contractor profit) subject to satisfaction of CEO/HALCON

iii. Decision of Chief Executive Officer (HALCON) regarding reasonable labour cost and reasonable material consumption and cost shall be final and binding on contractor.
iv. Deduction towards Income Tax at source is applicable under I. T. Act 1961 will be made from all payment made to contractor.

v. Should there be any over payment made inadvertently to the contractor on this contract or in any other contract, HALCON shall have the right to recover such amounts from the contractor, either by deducting the amount from any sums that may be due or may become due to the contractors by the company on any account whatsoever from this or from any other contract or from the Security Deposit made by the contractor. HALCON shall also have right to recover such amount from any other contract entered by contractor with Hindustan Aeronautics Limited / Container Corporation of India Ltd, anywhere in India.

9. TIME LIMIT FOR SUBMISSION OF BILLS

a) The contractor shall make a claim for the services rendered under this contract to HALCON within (4) four months of such service. If he does not prefer claim within the said period, he shall be deemed to have waived his right in the respect thereof and shall not be entitled to any payment on account thereof. Nevertheless, the CEO/HALCON on written request can waive off this limitation and allow late submission of bills if the reasons for delay are found convincing and reasonable.

b) No claim in respect of under payment to the contractor shall be considered valid or entertained unless a claim in writing is made thereof within (4) four months from the date on which payment of the original claim thereto was made. Any claim for such under payment, not received within the stipulated four months period, shall be liable to be summarily rejected by HALCON. Nevertheless; the CEO/HALCON on written request can waive off this limitation and allow late submission of bills if the reasons for delay are found convincing and reasonable.

c) Notwithstanding what has been laid down in the Clause on Payment. The decision of the CEO/HALCON shall be final and binding on the contractor.

10. RATE REVISION CLAUSE

a) The contracted rates shall remain operative throughout the contract period except for the variation in minimum wages, D.A. and levy rates or revision of minimum wages as the case may be as specified below:

i. The rate of increase in the contracted rates would be commensurate with the increase in the minimum wages as notified by the Government from time to time. However, the first such revision would be considered only after six months of the commencement of the contract. Subsequent rate revisions would be after six months interval thereafter. HALCON will increase the contracted rates, on contractor’s request from time to time subject to submission of revised minimum wages rate circulars from the appropriate authorities. However, in case of decrease in minimum wages, HALCON will be free to revise (decrease) the rates on its own as per the guidelines, which again will be at six months interval only.
Illustration:
Suppose the Minimum wage rate on the date of submission of the tender mentioned above was Rs. X and it is Rs. Y after revision by the Labour Board. Accordingly, % increase in contract rates will be as under:
For 1st rate revision % increase will be = \( \frac{Y - X}{X} \times 100 \) will be the % increase in the originally accepted contract rates

For subsequent minimum wage revisions, let the Wage rate be Rs. Z. Then, in this case the % increase will be = \( \frac{Z - Y}{Y} \times 100 \) will be the % increase over the rate accepted during the previous revision. It may be noted that no request for any change in rates will be entertained during the pendency of the contract except as mentioned above.

b) The revision on the basis of above principle will remain valid for the original period of contract, as per provisions of tender. In case HALCON management decides to extend the original contract period, HALCON may negotiate the prices with the contractor depending upon the market situation at the time of extension and the extension will be given at mutually accepted rates. Contractor will have the right to exit from the extended period if no agreement on mutually acceptable rates is arrived at for the extendable period. In such an event, the contractor will, however, have to work at the same rates for another 4 (four) months, beyond the initial contract period, to enable HALCON to finalize alternative arrangements.

In case extension is agreed to, the same rate revision will be applicable for extended period with base shifted to the date on which extension becomes effective.

11. SUBLETTING / OUT SOURCING
11.1. The contractor shall not sublet, transfer or assign the contract or any part thereof, without the previous written approval of HALCON.

12. INDEMNITY & LIABILITY
a) The contractor shall Indemnify HALCON and be liable to compensate HALCON for all damages, losses and claims in respect of damages / injuries to containers or cargo or to Customs or to any other person or damages to property belonging to HALCON and / or to any cargo held in trust by HALCON or other property belonging to the HAL / CONCOR, whether in his possession or not, through negligence, misconduct, default or any other act of commission or omission or that of his agents, servants or employees. Such compensation shall be determined by HALCON and shall be recovered from pending bills or Security Deposit or Bank Guarantee / FDR under this or any other contract of the contractor with HALCON/CONCOR/HAL for any other place / location.

b) HALCON will not be liable to pay any compensation to the staff / labour of the contractor for the injuries / death while performing duty. In case HALCON is to incur any liability, the same will be recovered from the contractor.
