

***E-TENDER CUM REVERSE AUCTION FOR PROVIDING PROFESSIONAL SERVICES FOR SURVEY OF CONTAINER/CARGO AND INVENTORY MANAGEMENT AT DCT/OKHLA.***

Tender Notice No.: CON/NR/TC/SURVEY/DCT OKHLA/2018

In reference to pre-bid meeting held on 29.12.2018, the issues raised by bidders regarding the tender clauses and clarifications to the respective clauses are as under:

| S. No. | Queries raised during Pre-bid meeting by bidders   | Clarifications of Pre-bid Committee  |
|--------|--|--|
| 1.     | Existing staff have gone before Labour Commissioner with their grievance. Is it necessary we have to engage them, as the matter is pending before the ALC or we can work with our own staff? | As per Ch. IV Cl.3.1:<br>The Contractor must own or have at his disposal the requisite trained personnel for his contractual work.   |
| 2.     | You have specified qualification of +2 pass for the data entry operators. Can we work with less qualified in other places, where data entry is not needed?                                   | Ch. IV Cl.3.8 clearly states: The data entry personnel deployed must be trained in use of computers. All the staff deployed for feeding of data through hand held terminals/ PCs should have minimum inter qualification (12th Pass).  |
| 3.     | No. of equipments is mentioned as five. Can we deploy manpower only when the equipment is operational or otherwise?  | Please refer to Ch. IV Cl.11.1. The relevant extract is as given below: The successful bidder would be required to manage the survey and inventory management work at the locations / equipment mentioned in the tender document independently and simultaneously round the clock on all 365 days of the year. At present there are five handling equipment (Reach Stackers) deployed at the Terminal. The number of cranes / equipments may increase or decrease. The contractor is required to deploy resources accordingly. |
| 4.     | Will we have access to the system for checking the reports like RS, IGT, etc.  | As per Ch. III Scope of Work: Surveyor is required to undertake and record all activities of containers at DCT Okhla.  |

**Hence, all the Terms and Conditions of Tender Document will remain unchanged.**
