Dated: 26.06.2023

CON/AREA-II/CGMV/HNDTPT/HT03/2023

Sub: Clarifications for e-Tender cum Reverse Auction for Handling and Internal Transportation of Containers at MMLP Varnama.

Ref: Pre-Bid Meeting held on 20th June 2023 at 15:00 hrs at CONCOR NSIC, New Delhi.

S.No.	Query	Clarification
1	As per point no. 11.1 of Terms & Conditions For E-Tender cum Reverse Auction of Chapter - II (Page No. 30/75), the tender depicts the duration of the contract (2+1) years, this is requested to amend the duration of the contract is for (4+1) years like all other places in PAN India basis or else the price will be exorbitantly high.	No change. MMLP Varnama is a new facility, to ascertain the traffic trend, volumes etc. period has been stipulated as 2+1 years.
2	As per SCOPE OF WORK of Chapter -III (Page No.-33/75) projected average volumes are 81000 TEU per annum (Exim/ Domestic), in such case request to consider 4 nos. of machines for equipment requirement as 81000 TEUs work is not suffice for 3 nos. machine in actuality.	No change. Two CONCOR owned Reach Stackers are deployed at MMLP Varnama. Hence requirement is for hiring of two (2) Reach Stackers only.
3	As per point no. 3.1 of Equipment/vehicle requirements of Chapter III SCOPE OF WORK (Page NO. 34/75) requirement of Empty Container Handler needed Ground + 2 high. In such a case ,can we supply 10 MT Forklift in lieu of Empty Container Handler of the same vintage? Please specify.	No change. Empty Conatiner Handler is required to handle both 20' and 40' containers, hence, cannot be replaced by Forklift (10 MT).

Note:

- i) All other terms and conditions of tender will remain same.
- ii) Corrigendum I shall form an integral part of the tender document and Clarifications/Corrigendum should be submitted along with the e-bid duly signed and stamped by the authorized signatory of the bidder firm. This may please be noted by all the prospective bidders.
